Exciting New Offer for Members

Getting our affairs in order is something we know is important, but many of us put it off. At Kimberly Clark Credit Union, we'd like to help you get prepared for the later chapters in life. We're excited to offer members a digital planning solution, designed to be affordable and made available through TruStage™ with One Digital Trust (ODT), a leading provider of online estate planning solutions.

Some of the ways this new member benefit could help:

- Helps guide you through creating important estate planning documents like your last will & testament, power of attorney or a living will, even setting up things like a trust, guardianship for minor children, and directives for your pets
- Automatically catalogs your assets, debts, and important documents in a secure and customized digital vault that can be accessed and updated at any time as long as your subscription is active
- Provides a dynamic view into your overall financial standing, including the ability to record and track any inheritance allocated to your loved ones

Create your estate plan and help ensure your legacy is protected for \$199 for the first year, with the option to renew at \$36/yr thereafter.

At a fraction of the cost for typical attorney fees, help protect your loved ones from the headache and heartache of settling an unplanned estate, while helping build a legacy to support future generations.
