K-C Mobile facility hosts KCCU staff members

Three members of our credit union staff were excited to travel to the Kimberly-Clark facility in Mobile, AL where they visited to talk with K-C team members about the benefits available at Kimberly Clark Credit Union. They also handed out appreciation gifts and held drawings for prizes. **PR#96143**

We're so proud of our 75-year history and common bond with Kimberly-Clark. We've been one of the most valuable benefits for K-C employees and we pledge our ongoing commitment and support. We've traveled to many K-C facilities and we welcome any invitation to visit, or attend your employee health fair or other employee benefits event.

K-C team member Odellas Moore was a prize winner at Mobile and received \$20 from KCCU staff member Charly Womble.

Don't get scammed by the fine print in "free trial" offers

Our Card Services Team receives many calls each month from members having a problem getting out of online "free trial" offers that often involve beauty and health products. Dishonest businesses bury their terms in fine print and use prechecked boxes as the online default to get you to unknowingly enroll in a long-term agreement for additional products at a much higher cost. If you don't read the fine print and miss their cancellation period, your debit or credit card can be legally billed for continued shipments and monthly charges. Not every free trial is a scam but before you give them your card number, do your homework and look for any scams lurking in the fine print **PR #16257**
