Secure Shopping with KCCU Mobile Wallet

Our mobile wallet feature is now available for your KCCU credit and debit cards. Say hello to Apple Pay, Google Pay, and Samsung Pay – your new partners in convenient and secure shopping.

When it comes to safeguarding your transactions, mobile wallets offer a level of protection that surpasses traditional card swiping. First, they encrypt every transaction so your actual card or account numbers are never shared with the merchant. Plus, you'll provide a personal identification format, such as a PIN, fingerprint, or face recognition. This ensures that only you can authorize transactions, adding an extra shield against unauthorized use.

To get started, simply set up your preferred mobile wallet app – Apple Pay, Google Pay, or Samsung Pay – on your compatible smartphone. Link your Kimberly Clark Credit Union credit and debit cards, and you're all set to tap, pay, and go with confidence. Just look for the contactless symbol wherever you're shopping.

Set up your mobile wallet today and discover the perfect blend of convenience and security. If you have any questions or need assistance in setting up your mobile wallet, our friendly KCCU team is here to help.

Happy Retirement Glenda Kight!

Kimberly Clark Credit Union honors Glenda Kight and her 37 years of excellent service to our team and celebrates the legacy of hard work and commitment she leaves behind. She is a true professional who has shown by example that excellence is something to aim for daily. She truly inspired every one of us at KCCU! Glenda, we love all that you have done for the staff and members of Kimberly Clark Credit Union. Thank you for all your hard work and dedication. Congratulations on your retirement and here's to watching your grandkids and great grand-kids instead of meetings and webinars!
